Special tableware

Unique presentation items for snacks and dishes.

Melamine plateaus

Melamine plateaus with wood or slate structure are very attractive and meet food contact requirements. The light weight and the fracture resistance of these melamine plateaus make them ideal for presenting and serving your meals and snacks.

Plateaus with wood appearance

- Gastronorm 1/1
530x325x(H)10 mm
561324
